New England Tour
Featuring Maine, Vermont & New Hampshire
From “The Sound of Music” TO “On Golden Pond”

Monday, October 9th: All aboard for an amazing New England Tour with a beautiful back drop of Colours everywhere! Today we will travel as far as South Portland, Maine arriving late afternoon, where we will spend our 1st night away from home at the Merry Manor Best Western Inn. I have arranged for a Group Dinner at the hotel this evening (included). This will give everyone some time to socialize and become familiar with one another.

Tuesday, October 10th: A full breakfast is included at the Hotel this morning and then we will start our new adventure by traveling to Downtown Portland to meet our local Tour Guide as we tour this Historical Port City. Lunch will be on your own.

Early afternoon, we will depart & make our Journey to VERMONT, the “Green Mountain” State. Unpack and relax for a 2-night stay at the Best Western Inn Rutland. Dinner is included this evening.

Wednesday, October 11th: After Breakfast included this morning at the Hotel a Local Guide will meet us for a full day of Touring.

Your Guide will explain how two childhood friends turned a \$5.00 correspondence course into a very successful ice cream business, BEN & JERRY'S ICE CREAM. Taste the flavor of the Day, visit "the graveyard" and gift shop.

Buffet Luncheon is included today at the "TRAPP FAMILY BIERHALL". (State of the art Bierhall where they make their beer in the Trapp Brewery). Following lunch, travel up to "The Lodge". Stroll the grounds and visit the exquisite Gift Shop.

This afternoon you will have free time in STOWE VILLAGE. Browse the shops of this charming village with its "most photographed" church steeple. A photo stop will also be made at one of Vermont's historic COVERED BRIDGES. Dinner will be on your own this evening with several options.

Thursday, October 12th: After breakfast this morning we will check out of the hotel and meet our Guide for another day of Touring as we travel towards NEW HAMPSHIRE, the "Granite State".

Enjoy a photo stop at QUECHE GORGE, Vermont's "Little Grand Canyon" as you make your way to the White Mountains.

We will next visit the FRANCONIA NOTCH VISITOR'S CENTRE, where you will view exhibits and an orientation film on the park. Lunch on your own at their Café.

After lunch we will make a stop at the BASIN. Stroll a paved path on a nature walk to view a solid granite bedrock "POTHOLE". See how a beautiful waterfall of the Pemigewasset River has eroded this waterfilled basin over the past 25,000 years. The rock formation seen in the stream bed at the outlet has been known for generations as "The Old Man's Foot".

Next, we will travel to SQUAM LAKE, where "On Golden Pond was filmed". Board a NARRARED BOAT CRUISE and hear the stories of the natural forces that created the lakes and the wildlife that make the lake so special. Be on the look out for loons! As our day comes to an end, we will bid farewell to our awesome guide and continue our travel a

short distance to overnight at the Fairfield Inn, in Plymouth, New Hampshire. A Group Dinner is included this evening.

Friday, October 13th: After a hardy breakfast this morning we will depart the hotel and travel a short distance into the White Mountains to visit the Mt. Washington "COG RAILWAY". Great Photo Stop as you see the Train makes it way up the Mt. Washington with all the splendid colours in the background. We will then make our way down the very scenic route through the beautiful White Mountains towards North Conway, stopping for Lunch (included) and a little Shopping!

Mid-Afternoon we will leave North Conway and enjoy a beautiful scenic drive as we make our way to Augusta, Maine, where we will stay for our last night of our New England adventure.
