“NEW MUSICAL MAGGIE”

You will not want to miss this new Musical co-written & produced by Country Singer Johnny Reid along with Bob Foster (Tell Tale Harbour) & Michael Rubinoff (Come From Away). The Musical is based on the life of his grandmother’s who lived in a small coal-mining village in Scotland between the 1950s & 1970s. After suffering an unthinkable loss, a Scottish mother must rely on her strength, sense of humour, and fiercely loyal group of friends to raise her boys and protect them from the harsh and ever-changing world around them. Set in post-war Scotland, MAGGIE tells the inspirational tale of a fiery school cleaner living in the mining town of Lanarkshire.. Johnny Reid will not perform in the show but is excited to see the cast take the stage and experience the audience’s reactions.
